## SUMMARY

I am an illustrator and writer who just wants to leave his mark through telling stories, forging connections, and passing on knowledge. I work daily toward creative and intellectual goals, and a day is not well spent unless I can say I learned at least one new thing about my craft. I also seek to help others learn about their writing abilities and to share what I have learned through my experiences.

---

## EXPERIENCE

*Peer Tutor Rank IV, Mt. San Jacinto College*  
San Jacinto, CA — 2008–Current

I engage in customer service and providing academic and technical assistance across a wide variety of subjects such as English, History, Political Science, and Astronomy. As a rank IV tutor I am the most senior level of tutor and I am responsible for keeping other employees on task, and I am responsible for day to day operations on the tutoring floor.

*Freelance Illustrator/Writer*  
Hemet, CA — 2005–Current

Various illustrations for publications like Nickelodeon Magazine and Radio Comix. Self-publishing experience. Illustrations for independent publications. Writing/illustrating several ongoing comics. Wrote three Spongebob Squarepants comic stories to Nickelodeon Magazine. Web Designer and Editor for various employers both public and private.
