## Objective

I am a writer, illustrator and educator who wants to leave a mark on the world through telling stories, forging connections, and bestowing knowledge. I work daily toward creative and intellectual goals, and for me a day is not well spent unless I can say I have learned at least one new thing about writing, illustrating, or teaching. I find myself seeking the company of other creative types to share what I have learned from my own experiences while learning from the experiences of others.

## Education

## Skills & Abilities

### **WRITING**

- I am a prolific and effective writer across a variety of formats and purposes. I have written content spanning from research-driven papers at a University level to novel length works in addition to comics and interactive fiction. References and example writings are available for review.

### **EDUCATION**

- I have 10 years of experience tutoring college students in writing, history, math, and computer technology both in a community college learning center and as a private tutor. I am also currently enrolled in training at CSUSM regarding college classroom education and will be teaching a composition course in my final year of study beginning in 2018. I have numerous educational references I can provide at your request.

### **GRAPHIC DESIGN**

- As a freelance illustrator I have had multiple comics published in various anthologies and websites. Additionally, I have been involved with graphic design for numerous apps and communities that are currently available or are in active development. I have an illustration portfolio ready to be viewed at your request.

### **WEB DEVELOPMENT**

- As a freelancer I have learned that a proper website is an asset in a competitive world and have familiarized myself with HTML, CSS, Javascript, and CMS such as Wordpress, Joomla, and Drupal. I have also learned a

great deal about social media marketing which has allowed me to build a dedicated stream of consumers and clients.

## Experience

### **PEER TUTOR RANK IV (MENTOR) | MT. SAN JACINTO COLLEGE | 2008 - CURRENT**

- I engage in customer service and providing academic and technical assistance across a wide variety of subjects such as English, History, Political Science, and Astronomy. As a rank IV tutor I am the most senior level of tutor and I am responsible for keep other employees on task in addition to day to day operations on the tutoring floor.

### **FREELANCE ILLUSTRATOR AND WRITER | SELF-EMPLOYED | 2005 - CURRENT**

- I have contributed to various publications such as Nickelodeon Magazine and various Radio Comix anthologies in addition to my extensive self-publishing experience. I have done illustrations for many independent web publications. I currently write and illustrate several ongoing comics and have written several *Spongebob Squarepants* comics for the now-defunct Nickelodeon Magazine. I also have a great deal of experience as a web designer and editor for various employers, both public and private.
